Nu Html Checker

This tool is an ongoing experiment in better HTML checking, and its behavior remains subject to change

Showing results for aboutus.html

Checker Input

Show ☑ source   ☐ outline   ☑ image report

Options…

Check by [file upload ▾]   [Choose File] No file chosen

Uploaded files with .xhtml or .xht extensions are parsed using the XML parser.

[Check]

Use the Message Filtering button below to hide/show particular messages, and to see total counts of errors and warnings.

[Message Filtering]

Document checking completed. No errors or warnings to show.

Image report

No images in the document.

```

```
78.        <h1 class="master-head">ABOUT  <span>US</span></h1>↵
79.        <p>Our team understands the struggles that students face when it comes to
      finding affordable and accessible learning resources. We believe that education
      should be accessible to everyone, regardless of their financial background.
      That's why we have created OPEN PDF DOWNLOAD, a website that provides free books
      for students from class 1 to class 10.<br>↵
80.           Our goal is to disrupt the traditional book publishing industry and make
      education more accessible and convenient for students. We believe that by
      providing free and open access to educational materials, we can help students to
      learn and grow in their academic pursuits.<br>↵
81.           As a team, we are passionate about education and believe that everyone
      should have access to quality learning resources. Our team is made up of
      individuals who are driven to make a positive impact on the education industry
      and are committed to improving the way people learn.<br>↵
82.           Our admin is a student just like you, studying at Sunway College in
      Kathmandu which is  affiliated with Birmingham City University and are committed
      to providing quality educational resources to students across the globe. We
      invite you to join us in our mission to disrupt the education industry and make
      learning more accessible and affordable for everyone.</p>↵
